Creative, supportive
& responsive

we focus on helping our clients

Corporate

You will find, as our clients do, that we completely understand the corporate world as well as the wider legal and business picture.

Commercial

We know that commercial agreements are the life blood of your business. We know what is important to your business, work to your timelines, and we focus on results.

Regulatory

We command a leading reputation and boast impressive experience in telecoms, online gaming and other regulatory matters in the UK, EU and across the world.

Employment

Our clients face many employment issues and we advise on all aspects of hiring, dismissal, poaching and protection of client IPR and proprietary information.

Dispute resolution

We can assist you in avoiding contentious matters and, should any arise, we will ensure that the dispute is dealt with in a commercial manner.

Content liability

We advise on defamation, privacy, copyright, confidentiality, trading and advertising standards.

A leading global telecoms practice

***“a well-balanced, commercial approach
to legal work and doing deals”***

Our partners have over 36 years of experience in advising in global telecommunications.

“Daniel Preiskel leads the team and is regarded as the man telecoms companies turn to for strategic advice thanks to his grassroots understanding of the industry”⁽¹⁾

“Clients praise its lawyers for having a well-balanced, commercial approach to legal work and doing deals”⁽¹⁾

We advise across the sector from incumbents, mobile operators and governments to owner-managed operations and start-ups. For example, we have been advising a Caribbean Government on its proposed privatisation, a major business telephony provider, a MVNO and MVNA, a Wimax operator, a mobile operator and a VOIP peering provider.

Daniel is Committee Secretary of the IBA Communications Law Group. Like Ronnie Preiskel, he is a regular speaker at industry and legal conferences.
